

## **Co-curricular Activities -**

The Vidyalaya promises to provide a valuable foundation in the building up of not only academic excellence but also character and overall growth of the students. Co-curricular activities form an integral part of the school curriculum and a good number of students participate in some activity or the other so as to tap their innate potential.

The Vidyalaya is divided into houses. Regular inter house competitions are held in dance, music, recitation, calligraphy, drawing, painting, debates and declamation etc. The idea is to inculcate a sense of healthy competition. Inter house competitions are held ensuring mass participation.
