

ICT INITIATIVE

- CREATED A GOOGLE FORM FOR THE UPDATE OF E-CONTENT DETAIL AND ANY OTHER DETAILED INFORMATION.
- PROJECTION APP INTRODUCED WITH THE TEACHER FOR THE EFFECTIVE USE OF APPLE TV.
- XII CS STUDENTS ARE USING GOOGLE E-CLASS ROOM FOR SUBMISSION OF PROJECTS AND ASSIGNMENTS.
- We have launched a massive programme “Back to Basic”, which will run from class 1st to 8th. We have already prepared tool kits and distributed to all schools. A training session was conducted at all levels how to implement and monitor the project effectively.
- E-classrooms and quite a good amount of such content materials for almost all subjects and stages made by teachers is already available to facilitate its use by the teachers and students.
